4
5 March: You know what?
6
7 Farris: What's up?
8
9 March: You're tired ain't ya?
10
11 Farris: No, not right, not, not now I'm not.
12
13 March: Alright, here's what I'm thinking okay?
14
15 Farris: Uh huh.
16
17 March: Umm, I took that medicine.
18
19 Farris: You did?
20
21 March: To help me sleep.
22
23 Farris: Uh huh.
24
25 March: (inaudible) They're gonna keep me in, I'm gonna get up at 7:30, eight
26 o'clock.
27
28 Farris: Okay.
29
30 March: I can chat with you then, okay?
31
32 Farris: Do, do you come out first?
33
34 March: Uh no you do.
35
36 Farris: Uh, it's gonna be kinda hard.

37
38 March: Oh yeah well.
39
40 Farris: Uh, well uh I guess just, okay so if we come out first, we come out 8,9,10,
41 11.
42
43 March: You know what?
44
45 Farris: Huh?
46
47 March: Umm, I'll go out first if you want me to.
48
49 Farris: You think they'll let you do it?
50
51 March: I think so.
52
53 Farris: Ok.
54
55 March: I'll, I'll, I'll tell Ty and them I need to make a few calls...
56
57 Farris: Okay.
58
59 March: So hold on, let me make sure it's ok with them.
60
61 Farris: Okay
62
63 March: Hold on.
64
65 Farris: Okay.
66
67 (pause) Perry asking someone if he can go out first.
68
69 March: Nate?
70
71 Farris: Yeah?
72
73 March: I'm going first.
74
75 Farris: They, they agreed to it?
76
77 March: Yep.
78
79 Farris: So, you gonna come out first?
80
81 March: Yeah.
82
83 Farris: Look here, if I'm asleep.....
84

85 March: I'll knock on the wall.
86
87 Farris: But I mean look, uh damn I wish you wouldn't of took that medicine
88 Perry.
89
90 March: Well hey, guess what?
91
92 Farris: What?
93
94 March: That'll give us two hours in the morning.
95
96 Farris: Yeah, we'll get a couple of hours in the morning. That's it; it gives us time
97 to think a little more too.
98
99 March: Exactly, okay?
100
101 Farris: Okay, just man; be sure to wake me up. Okay?
102
103 March: No, no, no I will.
104
105 Farris: Because I could leave early in the morning.
106
107 March: Oh you're not (inaudible). They've got to go to the bank.
108
109 Farris: Well, yeah that's true. What times the bank open, eight or nine?
110
111 March: Nine.
112
113 Farris: Okay, so nine; okay and you come out at eight. So it, it be early as ten
114 o'clock.
115
116 March: Yeah.
117
118 Farris: Okay, I'm just you know, I just you know I know its, its things that we
119 need to go over good. I just wanna make sure that we're clear.
120
121 March: Perfect.
122
123 Farris: Is that cool?
124
125 March: Perfect. I'll talk to you in the morning okay?
126
127 Farris: Ok Perry.
128
129 March: (inaudible)
130
131 Farris: Alright. Hey look, tonight if, if, if I mean if somethin' just crosses your
132 mind real heavy....

133
134 March: I'll (inaudible)
135
136 Farris: Just hit the wall.
137
138 March: That's cool.
139
140 Farris: Okay.
141
142 **(End of conversation)**
143
144 **Beginning of recording lasting 1:28:16**
145
146 March: You there?
147
148 Farris: You did? Hell yeah.
149
150 March: Okay, I wanna say, tell you some things.
151
152 Farris: Okay.
153
154 March: Things that make, I wanna talk to you about things on top of my head, that
155 make real good sense. First of all, I forgot to tell you what Vern told me....
156
157 Farris: uh huh.
158
159 March: (inaudible) remember when I (inaudible) uh Jeremy....
160
161 Farris: Uh huh.
162
163 March: Fern told me, I asked her when we uh, didn't they, don't they just uh have
164 videos of robberies?
165
166 Farris: Uh huh.
167
168 March: The cameras like at, I was trying to check. She said they only hold videos
169 uh thirty days.
170
171 Farris: For thirty days?
172
173 March: And they're gone.
174
175 Farris: They only hold aw, so thirty days after I'm out....
176
177 March: Right, exactly thirty days.
178
179 Farris: I didn't even really think that they even recorded the videos.
180

181 March: Them bastards in master control, they have videos and they, them for
182 thirty days just to make sure things like this (inaudible)
183
184 Farris: Yeah.
185
186 March: So I wanted to let you know. Second thing (inaudible) something good off
187 (inaudible) told me yesterday. You don't remember this but remember when my kids got
188 stolen by the Levine's back in 2000 and 2001?
189
190 Farris: Uh huh
191
192 March: The way I got them back was through a special law suit in federal court...
193
194 Farris: Uh huh.
195
196 March: Not through this bullshit over juvenile court today, okay.
197
198 Farris: Uh huh.
199
200 March: No one knows this but Herbison's filing another suit for me on the same
201 thing...
202
203 Farris: He's filing a federal suit? Aw, so, so maybe the kids will go to your
204 brother or somethin'.
205
206 March: Okay, but here's the thing.
207
208 Farris: Uh huh.
209
210 March: That's part of (inaudible) they're gonna look to my motivations...
211
212 Farris: Uh huh.
213
214 March: Okay.
215
216 Farris: Aw, if they don't have the kids that, that gives you less motivation.
217
218 March: Exactly. That's what I'm sayin' so, in about three weeks he's filing it. He
219 has another trial in Memphis, one he's prepared, and on he's (inaudible).
220
221 Farris: Uh huh.
222
223 March: Things are falling into place, okay?
224
225 Farris: Yeah.
226
227 March: Okay, so I'm just letting you know. You'll see it all over the news too.
228

229 Farris: Yeah.
230
231 March: He's filing the haig case again you know and all this kinda stuff.
232
233 Farris: Uh huh
234
235 March: One thing that showed that I'm using an legal process, I'm gonna get my
236 kids back hopefully.....
237
238 Farris: Yeah.
239
240 March: No to mention my motivation.
241
242 Farris: Hell yeah, and that's, that that would be great if they didn't have the
243 kids....
244
245 March: (inaudible) look you understand what I'm sayin'.
246
247 Farris: yeah.
248
249 March: Okay, so till both of those kids are (inaudible). I'm gonna talk to my dad
250 hopefully at 10:30 in the morning.
251
252 Farris: Uh huh.
253
254 March: If it's not today. Dickson told me it would be Monday or Tuesday; ok?
255
256 Farris: Okay.
257
258 March: Doesn't matter; I'm gonna tell him that Bobby Givings...
259
260 Farris: Uh huh
261
262 March: Wrote me a nice letter and he's gonna be callin' him....
263
264 Farris: Okay.
265
266 March: Okay?
267
268 Farris: Good. Tell him Bobby Givings wrote him a nice letter and he's gonna be
269 calling him.
270
271 March: Do they keep incoming letters?
272
273 Farris: Huh?
274
275 March: Do they keep all of my incoming letters?
276

277 Farris: Do they keep 'em?
278
279 March: (inaudible) yeah?
280
281 Farris: What do you mean?
282
283 March: Do they ummm, take scans of them or pictures of them?
284
285 Farris: Really, I'm I don't think so; because I mean, you know, the woman who
286 does the mail, is that the woman who comes and gets our letters is the one who sorts the
287 mail.
288
289 March: So you don't think she's instructed to copy all my letters?
290
291 Farris: Naw, well I mean, you know; it's good to be safe than sorry. You know
292 what I mean? But I don't think so.
293
294 March: My only question is; would they have a record that I've gotten a letter
295 from Bobby Givens?
296
297 Farris: I would very seriously doubt it because, you know, there's there's you
298 know, say a couple thousand letters come in every day.
299
300 March: The whole key thing to remember....
301
302 Farris: Uh huh.
303
304 March: Okay without question, (inaudible) cause you're gonna need to
305 remember.....
306
307 Farris: Uh huh.
308
309 March: They're gonna focus like fuck on me and my dad too.
310
311 Farris: Yeah.
312
313 March: At the beginning...
314
315 Farris: I don't think that they'll maybe focus on me at all.....
316
317 March: They will.
318
319 Farris: Well yeah, once they've learned that I was up here with you.
320
321 March: No question they're going to. You've gotta take it as a rule.
322
323 Farris: Yeah.
324

325 March: You've gotta get it as a fact.
326
327 Farris: Yeah.
328
329 March: Okay.
330
331 Farris: Uh huh.
332
333 March: And they're gonna focus on my dad too.
334
335 Farris: You think they'll focus on your dad?
336
337 March: Without a question. There's no question that they're gonna focus on my
338 dad. They've already named him as a co-conspirator....
339
340 Farris: Aw yeah, you told me that shit.....
341
342 March: And, and he's the colonel and the killer and you know all those other
343 things. So make sure that the first little bit afterwards...
344
345 Farris: Uh huh.
346
347 March: And you've gotta be real clean with that record.
348
349 Farris: Okay. Well, well, well look do, do, do you think that uh, uh a federal law
350 suit that uh Herbison is filing for the kids, that it'll actually work?
351
352 March: Umm, I think it has a good chance.
353
354 Farris: Well, well look, if, if, if uh it really don't matter but who would get the
355 kids?
356
357 March: They would send them back to my dad.
358
359 Farris: Aw, okay.
360
361 March: Then my dad would give them to Robert.
362
363 Farris: Okay.
364
365 March: Well they'd send them back to Carmen, really.
366
367 Farris: Yeah.
368
369 March: They told them they'd live with my dad, they'd live with Carmen, but
370 don't, don't worry about that so much. What I'm really concerned about is another
371 question I have in my mind...
372

373 Farris: Uh huh.....
 374
 375 March: If, if you have all these (inaudible) charges.
 376
 377 Farris: Yeah, uh huh.
 378
 379 March: The one that makes you nervous, right?
 380
 381 Farris: Uh huh.
 382
 383 March: Would it be easier for you to fix that one?
 384
 385 Farris: Well see if, if, if, if I go out and went after somebody that's on my
 386 case.....
 387
 388 March: Uh huh.
 389
 390 Farris: You know, they're probably gonna lock me back up on, you know revoke
 391 my bond. Because I mean is a that's a direct link to me, you know what I'm saying?
 392
 393 March: Uh huh.
 394
 395 Farris: So I'm, I'm gonna stay clear away from the people that's involved in my
 396 case for one, because you know, they might see me.
 397
 398 March: Shhh, shhh.
 399
 400 Farris: Okay for one, they might see me and get scared and call the police.
 401
 402 March: Right.
 403
 404 Farris: You see when they do see me, they're gonna know I'm out on bond.
 405
 406 March: Yeah.
 407
 408 Farris: Okay and, and the first thing they'll do is probably call the fuckin'
 409 detectives and be like "How'd he get out" and you know I'm you know, I ain't, I ain't
 410 talkin' about the, the witness that they can't find. I'm not worried about him. If, if, if I
 411 run across him, he's not gonna come. You know what I'm saying? But now.....
 412
 413 March: Shhh, shhhh, shhhh.
 414
 415 Farris: But now like, like on my robbery cases and stuff like that, okay. My
 416 charge partner's mama, she runs around screamin' you know. He's the big bad wolf you
 417 know, all this old shit. And if she finds out that I'm out she's gonna fuckin' raise hell. So
 418 you know, I've gotta what I'm gonna do Perry, is I'm gonna be a law abiding citizen and
 419 bide my time and, and you know, because I've got a bigger picture.
 420

421 March: I know.
422
423 Farris: Exactly. I'm not studyin' the you know, the little petty things you know on
424 them robbery cases and stuff like that. I'm gonna be a law abidin' citizen. I might even
425 get a part-time job doin' somethin'. Maybe at a look there's a car wash out in West End
426 that always hires people, you know and I mean like, like you can just walk up there an
427 they'll put you to work that day and you know like, like a lot of street people go up there
428 and work and, and like all you do is give 'em a social security number. You know, I
429 could find an old bogus social security number and just work out that way. So you know
430 it, it.....
431
432 March: Don't get a bogus one, just use a real one.
433
434 Farris: Oh yeah, that way if I'm ever pulled over or stopped out there well you
435 know, well hell I work over here at the Smith Brother's car wash. You know I mean you
436 know that, that would just give me a reason to be in that area.
437
438 March: Uh huh.
439
440 Farris: You know, and and then another thing; you know like if, if a if I was to
441 get stopped or somethin' out there? I don't think the local police would tie in me with the
442 Levine's and anything. You know what I mean? I'm just out in the neighborhood.
443
444 March: You know I'm just saying, the key is gonna be timing. The more time.....
445
446 Farris: uh huh.
447
448 March: That, that other things happen.....
449
450 Farris: Uh huh.
451
452 March: That it look like I'm fightin' for my kids....
453
454 Farris: Yeah.
455
456 March: Let me tell you this; I'm gonna also be doing more about my cases
457 bullshit. I'm gonna write a letter to people about how I'm gonna win my case.
458
459 Farris: Yeah, how we was like, like how we was to Danielle. How we was like....
460
461 March: Exactly....
462
463 Farris: Because like in those first couple of letters....
464
465 March: Exactly....
466
467 Farris: Uh but, those first couple letters you wrote you was like uh you know
468 when I've beat my case and blah, blah, blah, given her hope that I'm gonna get out....

469
470 March: Exactly create a paper trail.
471
472 Farris: It worked though didn't it?
473
474 March: Yeah.
475
476 Farris: Huh? (Laughs)
477
478 March: That's what I'm gonna do again. The key is time, the more time that
479 chills....
480
481 Farris: Uh huh.
482
483 March: Uh between you getting' out and not revoking, on you and and not.
484
485 Farris: Yeah, well, well.
486
487 March: When do you think your trial....
488
489 Farris: Well I don't know like, you know, it's gonna be you know sometime the
490 middle of next year maybe or, or you know the beginning of the next year. You know I'll
491 know that when I go to court. But like, like on of the good things about being out on bond
492 is that, you know, I can get my lawyer to, you know keep postponing it you know, if need
493 be. But look, I'll tell you something else like, like my bondsman like I'll check in with
494 him like every week; you know what I mean? You know so you know they're not gonna
495 you know be watchin' me. They're not gonna come to my house thinkin' that I'm not
496 gonna be there.
497
498
499 March: You call him on the phone?
500
501 Farris: Yeah I call them on the phone. Hell look I might look, look his, his bond
502 comes right out there in that parkin' lot out the window.
503
504 March: My point though is that you could even be on your way to Mexico and call
505 him.
506
507 Farris: Yeah, yeah I know but look like, like I you know I might just drop in and
508 see him one day you know. Stuff like that just to you know show my face around that,
509 I'm not you know; I'm being a good boy.
510
511 March: I'm more worried about afterwards.
512
513 Farris: Well that's you know, I'm gonna be ready for 'em. I've got to be ready for
514 'em. I'm gonna come to the door scratching my belly and rubbing my eyes saying "What
515 you all want?"
516

517 March: Exactly.
518
519 Farris: You know....
520
521 March: You make sure that there's just no evidence.
522
523 Farris: Hell I've been here with my dogs all night.
524
525 March: Even if you could create other, better.....
526
527 Farris: Other alibis.
528
529 March: Yeah, yeah we had talked about; you know I was thinking about that.
530
531 Farris: Well, well look I'll tell you one thing; my mama you know my mama
532 she'll say that I was you know wherever without even me havin' to tell her to. You know
533 what I'm saying? It's just like an automatic if you know, police come "Well, well where
534 was your son? Hell my son was back there asleep all night" you know what I mean? You
535 know so I can you know well look the alibi, you know the only part that's gonna be
536 missin' out of that day is maybe a couple of hours. And you know like I've got the guy
537 across the street, he smokes crack you know, he'll say that you know that I was working
538 on my car.
539
540 March: What you don't do is (inaudible) you know, you understand? You
541 understand that the key will probably to put some distance between when you get out...
542
543 Farris: Uh huh
544
545 March: So I can file this Federal Court process.
546
547 Farris: Okay, yeah well I (talking over each other) well look how could I know?
548
549 March: Listen the federal (inaudible) all the papers....
550
551 Farris: Aw, okay.
552
553 March: Be front page news.
554
555 Farris: I'll get the, well like we my mama gets the newspaper anyway.
556
557 March: It'll be front page news.
558
559 Farris: Okay.
560
561 March: You won't miss it.
562
563 Farris: But like you know, I'll be I could be you know the Colonel could drop me
564 a, a signal or somethin' too; you know what I mean?

565 March: Yeah or what you can do is that, check in with him once a week.
566
567 Farris: Yeah.
568
569 March: That's the thing to do.
570
571 Farris: Yeah.
572
573 March: Okay?
574
575 Farris: Okay. Do, do you still want me to like mention the car or something?
576
577 March: Well yeah use the BMW that sell as the you know, as the as the as the
578 password.
579
580 Farris: As the password.
581
582 March: (inaudible) message that says the sales ready.
583
584 Farris: Yeah, the car's ready.
585
586 March: The car's ready.
587
588 Farris: The car's ready.
589
590 March: The car's ready.
591
592 Farris: That's good.
593
594 March: Okay?
595
596 Farris: Who, who's that workin'; is that Lee?
597
598 March: Lee.
599
600 Farris: Okay, he's cool.
601
602 March: Okay. But it made me feel a lot better to know that those videos are gone.
603
604 Farris: Yeah, thirty days? That ain't no problem.
605
606 March: Right, you know?
607
608 Farris: Yeah. Hell that one look, the camera on that corner, It looks like it was
609 gone facin' direct towards Duffer cell.
610
611 March: Yeah, but see that's great for me. They have no direct evidence.
612

613 Farris: Yeah.
614
615 March: I'm gonna walk a minute.
616
617 (Long Pause)
618
619 (knock on the wall)
620
621 March: (inaudible)
622
623 Farris: Okay.
624
625 March: Okay?
626
627 Farris: Hey Perry, can I get another one of 'em uh, uh heartburn things? Thank
628 you.
629
630 (Long Pause)
631
632 March: (inaudible)
633
634 Farris: I thought you'd done gone back to sleep. (laughs)
635
636 March: I've been thinking. Can you use e-mail?
637
638 Farris: Uh I mean, you know stuff like that you know, hands, hands on anything I
639 can learn real easy.
640
641 March; Have you ever had e-mail?
642
643 Farris: No. But like my little brother, he's got the whole internet thing at, at home
644 now.
645
646 March: The thing you don't realize is in today's world, you can go to an internet
647 café or somewhere and open up free internet and email account (inaudible) computer.....
648
649 Farris: Uh huh.
650
651 March: Or open up free internet or free e-mail account.
652
653 Farris: Well, well, the only thing like I've done on the computers. Like I took a
654 typing course on computer but like, you know, that's just like me with any kind of
655 electronic; stereos, cell phones, you know I can figure all that stuff out.
656
657 March: Yeah you know, e-mails, e-mails real easy.
658
659 Farris: Uh huh.
660

661 March: I'm thinking I might give you my dad's email account.
662
663 Farris: Yeah well, well look Casey.....
664
665 March: Uh huh.
666
667 Farris: I guarantee you when I make bond you know, Casey's gonna be wantin'
668 you know, followin' my trail everywhere and like I Casey's settin' up an email for me
669 wouldn't be no thing at all. You know.....
670
671 March: That, that's cool. Here's what I'd be concerned about though.....
672
673 Farris: Okay.
674
675 March: What I get concerned about is, I'm thinkin' down the road you know,
676 when after the papers get served on Williamson County...
677 Farris: Uh huh.
678
679 March: For example, right?
680
681 Farris: Yeah.
682
683 March: Our car get's bought.
684
685 Farris: The car get's bought; I like that.
686
687 March: Gets bought okay, they're going to, unquestionably...
688
689 Farris: Uh huh.
690
691 March: During the first week, descend on my dad.
692
693 Farris: Yeah.
694
695 March: Probably with a search warrant, and take his computer.
696
697 Farris: Well, well look can't he is, is there like a...
698
699 March: He'll delete it.
700
701 Farris: Okay, yeah.
702
703 March: It's that sophisticated.
704
705 Farris: Okay well look is there, is there a inter, look I, I, I could buy a laptop and
706 take to him.
707
708 March: No, no, no because it's, because the way it works, it has to be his

709 computer.
710
711 Farris: Aw okay, okay, okay.
712
713 March: It, it so here's what you'll have to do.
714
715 Farris: Yeah.
716
717 March: I'm gonna give you his e-mail but you're gonna have assume, okay...
718
719 Farris: That he'll, he'll.....
720
721 March: That somebody's gonna read 'em sometime down the road.
722
723 Farris: Okay. So I'll just speak in like, you know, about the car or...
724
725 March: Well the thing is also, and then you can also just tell him on the phone on
726 your secure line...
727
728 Farris: Yeah.
729
730 March: Delete those, erase those e-mails.
731
732 Farris: Yeah, okay.
733
734 March: Okay so let me give you; let me get you his e-mail.
735
736 Farris: okay.
737
738 (Long Pause)
739
740 March: Okay, write this down.
741
742 Farris: You want me to write it down?
743
744 March: See that? You don't need those (inaudible)
745
746 Farris: Okay, yeah write it down for me.
747
748 (Pause)
749
750 March: Gimme' the piece of paper
751
752 Farris: I had it tucked away.
753
754 March: Okay, I'm gonna write them down.
755
756 Farris: Yeah.

757 (Pause)
758
759 March: (inaudible)
760
761 Farris: Okay, okay when I, all of this is what I punch in?
762
763 March: That's right; can I say somethin'? You're gonna have fun.
764
765 Farris: Yeah I know.
766
767 March: It'll be easy.
768
769 Farris: I know.
770
771 March: Type the address AWM@, it's that simple.
772
773 Farris: AMW@
774
775 March: Prodigy.
776
777 Farris: prodigy.net.mx
778
779 March: You did perfect.
780
781 Farris: Okay.
782
783 March: My dad's on the internet everyday with his email.
784
785 Farris: Okay well like I don't need to put his name or nothin', just this?
786
787 March: Yeah.
788
789 Farris: Okay.
790
791 March: Okay but you need to understand some things from evidentiary stand
792 points, okay?
793
794 Farris: Uh huh.
795
796 March: Every single thing, every e-mail that is sent.
797
798 Farris: Uh huh.
799
800 March: You'll have the return address on.
801
802 Farris: Okay.
803
804 March: So and you can't get rid of it, so every email that is sent in this world.

805 Farris: Uh huh.
806
807 March: Has a return address...
808
809 Farris: Well, well look....
810
811 March: And the return address is not to a physical address, what it is, is to a
812 machine.
813
814 Farris: Okay well look, check this out, like say uh you know, like I know people
815 that get stolen shit all the time. Say if uh like uh well no I'd have to do that every time. I,
816 I don't wanna deal with no, I'll just...
817
818 March: Let me just tell you two things. You see, the best thing to do is go to an
819 internet café.
820
821 Farris: Yeah, that's what I was I'm gonna do, that's....
822
823 March: Yeah it's better that you do that.
824
825 Farris: That's what I'm gonna stick to.
826
827 March: But here's the thing; you need to remember....
828
829 Farris: Uh huh.
830
831 March: The email you send him...
832
833 Farris: Uh huh.
834
835 March: If the, if law enforcement gets that email
836
837 Farris: Uh huh.
838
839 March: They will be able to see that it was sent from an address in Nashville,
840 Tennessee
841
842 Farris: Uh huh.
843
844 March: A specific computer in Nashville Tennessee. Every computer has what's
845 called an ISP code.
846
847 Farris: Uh huh.
848
849 March: It's inside the chip.
850
851 Farris: Uh huh.
852

853 March: Any e-mail is sent has that code attached to it....
854
855 Farris: Well maybe I can go to like Gallatin or somethin' maybe....
856
857 March: Well doesn't matter, it's still gonna be (inaudible)
858
859 Farris: Well, yeah, yeah.
860
861 March: My only point is, you gotta understand. E-mails are not anonymous.
862
863 Farris: Uh huh, they're not.
864
865 March: If they get those, okay.
866
867 Farris: Okay.
868
869 March: Now if they don't get 'em, they will be....
870
871 Farris: Yeah.
872
873 March: You understand?
874
875 Farris: Yeah okay yeah.
876
877 March: Okay. Also the thing to remember is when you set up your email account.
878
879 Farris: Uh huh.
880
881 March: Like your free email account; you'll go in to what's, you'll go into one of
882 these, uh internet stores.
883
884 Farris: Yeah.
885
886 March: And you'll say set me up a hot mail account, ok write down that word;
887 hotmail.
888
889 Farris: Hot mail.....
890
891 March: Or actually Nate don't do that; you, you need Yahoo.
892
893 Farris: Yahoo?
894
895 March: Yeah, YAHOO.
896
897 Farris: Hang on; let me get a piece of paper. Okay.....
898
899 March: Just write down Yahoo, YAHOO.
900

901 Farris: YAHOO.
902
903 March: What you'll do is the Yahoo that you set up free.....
904
905 Farris: Is that all I need to write down?
906
907 March: Yeah that's it. When you go in the Internet Café, you'll just ask someone
908 to please set you up with a Yahoo account.
909
910 Farris: Yeah okay, well look too, like uh.....
911
912 March: (inaudible)
913
914 Farris: Okay.
915
916 March: That yahoo account is not, it's, it's on the internet so you can get to your
917 mail account.
918
919 Farris: From anywhere...
920
921 March: Any machine.
922
923 Farris: Okay, well, well okay look, I just thought of somethin' too. Like, like once
924 I get a little computer savvy or whatever, I can tell your dad how to delete 'em everytime.
925
926 March: Exactly.
927
928 Farris: Yeah.
929
930 March: Now, now also let me tell you this. If you send an email from your Yahoo
931 account.....
932
933 Farris: Uh huh.
934
935 March: It copies it puts a copy of it for you in your sent file....
936
937 Farris: Okay....
938
939 March: It, it will help file for you. It will show you all the emails you've ever sent
940 and all the emails you've ever received.
941
942 Farris: Okay, can I get that deleted?
943
944 March: Absolutely.
945
946 Farris: Okay, okay.
947
948 March: You can delete everything.

949 Farris: Yeah.
950
951 March: Anything and everything; you can delete the whole account.
952
953 Farris: Yeah well, well that's what I'll do.
954
955 March: It's great, but just remember.
956
957 Farris: Uh huh?
958
959 March: That every time you send an email, it shows where you connected from
960 and.....
961
962 Farris: Where it went to....
963
964 March: Which machine it went from. So my dad will have to delete those. Okay?
965
966 Farris: Okay.
967
968 March: But that, I need to tell you; if you can get savvy and figure out how to get
969 secure in email...
970
971 Farris: Yeah?
972
973 March: Now here's what you do. You're smart, this is the good thing.
974
975 Farris: Exactly.
976
977 March: The good thing....
978
979 Farris: I hope I am...
980
981 March: Well you are, you're, you're, you're real smart. The good thing is you can
982 study...
983
984 Farris: Uh huh.
985
986 March: On how to make emails secure.
987
988 Farris: Yeah....
989
990 March: Once you get to the internet you can go and have Casey show you how to
991 go to....
992
993 Farris: Well I, you know, maybe not Casey maybe just somebody else. Because,
994 because see Casey would, would you know, she....
995
996 March: Right.

997 Farris: She might just wonder why, why's he wantin' to learn about this?
998
999 March: Exactly.
1000
1001 Farris: You know...
1002
1003 March: Wait, I, I, we already talked about it. You, you know the least we say
1004 about anybody, give nobody a clue you're going to Mexico.
1005
1006 Farris: Aw hell no! I've not even told my mom, nobody, nobody's gonna know
1007 that.
1008
1009 March: Well here's the cool thing, umm, the cool thing is the internet. You're
1010 gonna have a blast. I'll tell you this; I wish I was you right now.
1011
1012 Farris: (Laughs)
1013
1014 March: The Internet Café....
1015
1016 Farris: Uh uh.....
1017
1018 March: You sit there with a cup of coffee, donut or whatever and you can just go
1019 to search engine....
1020
1021 Farris: Uh huh.
1022
1023 March: Read up on how to make your email secure.....
1024
1025 Farris: Yeah, yeah.
1026
1027 March: (inaudible)
1028
1029 Farris: Well I, I like readin' cause I learn....
1030
1031 March: Exactly what you're gonna do because you're gonna be an expert of email
1032 security.
1033
1034 Farris: Okay and that's what I'll study...
1035
1036 March: Yeah...
1037
1038 Farris: That's what I'll....
1039
1040 March: You'll do it in an afternoon.
1041
1042 Farris: Oh yeah, I know.
1043
1044 March: In an afternoon, you'll, you'll understand enough to know what you're

1045 doin'.....
1046
1047 Farris: Yeah....
1048
1049 March: And be cool on it. And by the way, it's great because if you do get that
1050 way.....
1051
1052 Farris: Uh huh.
1053
1054 March: Here's another thing; I can communicate with my dad and my sister and
1055 have them send you emails.
1056
1057 Farris: Yeah well hey look, look, look come here. Look do you, do you think it's
1058 safe to tell your sister to send me emails?
1059
1060 March: No, here's what we'll do though. Here's what we'll do.
1061
1062 Farris: I mean if you think it's safe I, I you know, I know it is but you know.
1063
1064 March: No, see but I'm gonna get them a Nextel phone so my dad can do it easily.
1065
1066 Farris: Okay.
1067
1068 March: Here's the deal; emails are great, because like here you know how my dad
1069 writes emails. Let me show you.
1070
1071 Farris: Okay
1072
1073 (Shows something)
1074
1075 Farris: Yeah, yeah, yeah you showed me.
1076
1077 March: See what he does now, is instead of sending me snail mail, which we call
1078 you know the regular....
1079
1080 Farris: The regular mail, snail...
1081
1082 March: We call it snail mail; it's slow.
1083
1084 Farris: Yeah.
1085
1086 March: Okay, he sends an email. What he does he sends my sister an email. She
1087 just prints it....
1088
1089 Farris: And sends it to you?
1090
1091 March: In snail mail.
1092

1093 Farris: Snail Mail.....
1094
1095 March: Okay, but it gets to me in three days instead of twelve.
1096
1097 Farris: Yeah.
1098
1099 March: Twelve days; so what we'll do is I will write my dad by snail mail.
1100
1101 Farris: Uh huh.
1102
1103 March: I'll write my dad or tell my dad on the phone or tell my sister to say
1104 somethin' to Bobby Givings.
1105
1106 Farris: Uh huh.
1107
1108 March: Okay, and maybe we even should do something better than that. Which I
1109 think, let me think on that.
1110
1111 Farris: Okay, think.
1112
1113 March: Here I'll tell you this, ok this is going to be fun; you know why?
1114
1115 Farris: Why?
1116
1117 March: (inaudible).
1118
1119 Farris: Its gonna be a blast. When it's all over for sure.....
1120
1121 March: Can I say something?
1122
1123 Farris: Yeah.
1124
1125 March: I'm already figuring this; I'm already startin' to get a touch of this. We're
1126 gonna be fuckin' outrageous!
1127
1128 Farris: Are we?
1129
1130 March: When we're out can you imagine the two of us havin' a fuckin' week on
1131 the beach to plan something?
1132
1133 Farris: Oh my God; a couple of days to plan somethin' would be marvelous.
1134
1135 March: I'm so juiced for that it gives me something totally to look forward to.
1136
1137 Farris: Well I mean you know its, its.....
1138
1139 March: Nate, can I tell you something? I'm telling you right now. That's my
1140 job.....

1141
1142 Farris: That's your job.
1143
1144 March: It's my, no, I'm not saying; I think of this as my career.
1145
1146 Farris: Yeah well that's gonna be my career too. You know, Perry, Perry look, I
1147 can't go to, I can't work at McDonalds.....
1148
1149 March: I understand.
1150
1151 Farris: You know what I mean.
1152
1153 March: You understand our career. I'm not thinking about anything else. I'm
1154 thinking about my career.
1155
1156 Farris: Yeah.
1157
1158 March: Okay?
1159
1160 Farris: Well what a career it'll be too. Look hey look; come here, (laughs) I'd say
1161 what we'd make like an average an hour, what a couple of grand an hour or....
1162
1163 March: An hour?
1164
1165 Farris: Yeah?
1166
1167 March: Literally for an hour of real work....
1168
1169 Farris: Uh huh.
1170
1171 March: We make twenty grand an hour.
1172
1173 Farris: Twenty grand an hour (laughs). Hey Perry, hey none of our lawyers or the
1174 I don't even think the Levine's make that much an hour. (Laughs)
1175
1176 March: Especially when you only got to work 2 or 3 hours a month.
1177
1178 Farris: Two or three hours a month.
1179
1180 March: (inaudible) okay now here's the perfect, here we got it down. You become
1181 an expert on email...
1182
1183 Farris: Uh huh.
1184
1185 March: Okay but I'm telling you. It's so fun. You go to an Internet Café, you can
1186 go to a Border Bookstore, you can do anything, find email for dummies. You know you
1187 can be on the internet, start searchin', there's really interesting places you can go to for
1188 example....

1189
1190 Farris: Uh huh.
1191
1192 March: Um, write this word down; Google, GOOGLE.
1193
1194 Farris: I've heard Google stuff, like, like if I wanna learn about a word, I Google
1195 it.
1196
1197 March: Google's a search engine. You can go to Google and type in email
1198 security...
1199
1200 Farris: Yeah I know, I, I, I know well see like I listen to the radio a lot and they
1201 talk, you know.
1202
1203 March: For example, it'll pull up a thousand articles on how to get security on
1204 your email.
1205
1206 Farris: Uh huh.
1207
1208 March: Now I'm gonna tell you something even better.
1209
1210 Farris: Uh huh.
1211
1212 March: There are free services.
1213
1214 Farris: Well, well look I'll tell you somethin', like, like Casey you know; Casey
1215 ran a business over the computer for like five years. And like, she's got like all kinds of, I
1216 know about software and stuff that, that you can download on computers to protect stuff
1217 like that.
1218
1219 March: Give me that piece of paper. Where's my pen?
1220
1221 Farris: I don't know; I've got one if you need it.
1222
1223 March: There are services that you can either pay for like three dollars a month
1224 or....
1225
1226 Farris: Okay. I'll okay.....
1227
1228 March: That's called anonymous drop box.
1229
1230 Farris: Anon, anonymous drop box.
1231
1232 March: Email account.
1233
1234 Farris: Email account.
1235
1236 March: My point is....

1237 Farris: That sounds, that sounds criminal (laughs)
1238
1239 March: I have one.....
1240
1241 Farris: You do, you got one?
1242
1243 March: Well, I can't give you; its got requires a code.
1244
1245 Farris: Yeah.
1246
1247 March: Here's the thing. If you (inaudible) emails....
1248
1249 Farris: Uh huh.
1250
1251 March: And you are patient with my dad and you figure out, remember he's an
1252 older man.
1253
1254 Farris: Yeah....
1255
1256 March: Now he's an email fanatic but he's not real savvy. So if you're gonna have
1257 to explain to him, you're gonna have to do it carefully.
1258
1259 Farris: Yeah.
1260
1261 March: Okay? I'm gonna let him know that, that Bobby Givings...
1262
1263 Farris: Uh huh.
1264
1265 March: Is he'll, he'll be cool okay?
1266
1267 Farris: Yeah.
1268
1269 March: And you'll call him on the phone first.
1270
1271 Farris: Yeah I'm gonna call him first.
1272
1273 March: And then you start sendin' him, working some emails back and forth with
1274 him, okay?
1275
1276 Farris: Okay.
1277
1278 March: He'll be real cool. You're just gonna have to, you're gonna have to make
1279 sure that there's no trace of him.
1280
1281 Farris: Yeah.
1282
1283 March: On his end.
1284

1285 Farris: Okay, well, well, well....
1286
1287 March: I wanna tell you something
1288
1289 Farris: Yeah.
1290
1291 March: Just tell him that when you buy the car.
1292
1293 Farris: Uh huh.
1294
1295 March: Okay they are going to send all their mail.
1296
1297 Farris: Well look, I've gotta I've got another uh solution or, or whatever. If, if
1298 you know, I can learn about the emails and stuff, you know pretty easy. When I take the
1299 trip down there, I can actually show him in person how to get rid of it....
1300
1301 March: Yeah, while I think he knows how to delete but it's a little bit more
1302 complicated than just wanting to delete.
1303
1304 Farris: Yeah, yeah he, he wants it to, to uh erase it....
1305
1306 March: Just let me explain to you about computer....
1307
1308 Farris: Okay.
1309
1310 March: The hard disc
1311
1312 Farris: Uh huh.
1313
1314 March: Is a round disc okay?
1315
1316 Farris: Yeah.
1317
1318 March: On it, it puts information magnetically.
1319
1320 Farris: Uh huh.
1321
1322 March: It shoots it and keeps it on there...
1323
1324 Farris: Uh huh.
1325
1326 March: What the computer does, when it wants to find something, it, it sends its
1327 little optical reader, like a reader, and it finds that piece of information.
1328
1329 Farris: Uh huh.
1330
1331 March: And reads it; okay?
1332

1333 Farris: Okay.
1334
1335 March: When you quote, unquote, delete something from your computer....
1336
1337 Farris: Uh huh.
1338
1339 March: What it does is it takes away the code...
1340
1341 Farris: So it's still there.
1342
1343 March: It's still there. There's other programs that actually come in and write over
1344 it and it will erase it.
1345
1346 Farris: Okay well that's the programs I want to know. The ones that erase it.
1347
1348 March: The difference between just not be, what happens is when people delete
1349 normally.
1350
1351 Farris: Uh huh.
1352
1353 March: What they do is they force their machine to not be able to find something.
1354
1355 Farris: Yeah.
1356
1357 March: And then the machine can write over it again later.
1358
1359 Farris: Yeah.
1360
1361 March: What that will do is that will, you have to scrub it.
1362
1363 Farris: Yeah.
1364
1365 March: Okay.
1366
1367 Farris: Because some other machine can come in and find it.
1368
1369 March: Exactly.
1370
1371 Farris: Okay.
1372
1373 March: Hey can I tell you something?
1374
1375 Farris: Yeah.
1376
1377 March: This is crucial, crucial, for us.
1378
1379 Farris: Okay.
1380

1381 March: (Whispering) because a lot of what we're gonna do on our jobs...
1382
1383 Farris: Uh huh.
1384
1385 March: Will be email related.
1386
1387 Farris: In Mexico? You talkin', you talkin' about...
1388
1389 March: Phillip Rolfe.
1390
1391 Farris: Phillip, Phillip Rolfe.
1392
1393 March: Phillip Rolfe.
1394
1395 Farris: Uh huh.
1396
1397 March: Remember that guy Rolfe.
1398
1399 Farris: Yeah.
1400
1401 March: He's on his computer all day long with email.
1402
1403 Farris: And that's how we'll communicate with him.
1404
1405 March: Absolutely.
1406
1407 Farris: That way, he never, he never hears a voice or nothing.
1408
1409 March: Absolutely.
1410
1411 Farris: (Laughs)
1412
1413 March: Email Ugonda.
1414
1415 Farris: Ugonda.
1416
1417 March: (inaudible) exactly what to do and when to do it and he'll do it and then
1418 he'll have his little granddaughter back.
1419
1420 Farris: He'll have his granddaughter back; well look man, uh....
1421
1422 March: You see what I'm saying?
1423
1424 Farris: Yeah, and look like, like, like how you was explaining to me about the
1425 diamonds and stuff like that. I just, I wanna do that one time at least too, because I want
1426 some diamonds.
1427
1428 March: Every time.

1429 Farris: Every time.
 1430
 1431 March: When it happens, you're gonna get on an airplane.
 1432
 1433 Farris: Uh huh.
 1434
 1435 March: You're going to fly to Amsterdam and you're gonna trade 'em in and put
 1436 'em in the bank.
 1437
 1438 Farris: Do you think that would be safe for me going in to Amsterdam?
 1439
 1440 March: With a new passport.
 1441
 1442 Farris: Oh heck yeah, yeah.
 1443
 1444 March: Can I tell you something?
 1445
 1446 Farris: Uh huh.
 1447
 1448 March: We're gonna totally be low key. (Inaudible) big time.
 1449
 1450 Farris: We're gonna be big time.
 1451
 1452 March: (inaudible) but remember one thing. Pigs get fat, hogs get slaughtered.
 1453
 1454 Farris: Pigs get fat, hogs get slaughtered. (Laughs) Huh we're gonna be a couple
 1455 of pigs.
 1456
 1457 March: Low key pigs.
 1458
 1459 Farris: Low key pigs. What time is it?
 1460
 1461 March: (inaudible) try my brother.
 1462
 1463 Farris: You gonna try your brother?
 1464
 1465 (Perry March on the phone with someone) Hey, how are you? Yeah (inaudible) ok,
 1466 should I call you back or are you? Ok, Well I just want to let you know, if John came
 1467 down here, (inaudible) I rewrote out that letter (inaudible). Ok um I just want to let you
 1468 know whenever he gets to the office (inaudible) ok. Yeah (inaudible) that's already taken
 1469 taken care of, um and, yeah (inaudible) he's mad at me so (inaudible) Well I wrote you a
 1470 letter last night (inaudible) that uh just says (inaudible) Ok could you have him
 1471 (inaudible) Just yeah, no, no.
 1472 Farris: It's your dad? Just be careful what you say on that phone.
 1473
 1474 March: I am
 1475
 1476 Farris: Okay.

1477 March: (Still on the phone) (inaudible) Good, we're good, we're good oh yeah.
1478 Yeah we got it all set up and uh hopefully we'll be going (inaudible) and (inaudible) it's
1479 nothing. There's nothing; (inaudible) eighty percent.
1480
1481 Farris: Hey Perry, remember who, remember who put you on that.
1482
1483 March: (inaudible)Ok we're gonna do one thing when you send one (inaudible) to
1484 my dad, (inaudible) Yeah so far. Ok well we'll work it out; everything looks good here.
1485 I'm meeting with John and feeling really comfortable about my cases. (inaudible) I'm
1486 feeling really comfortable about my cases. Ok so what I'm getting juiced (inaudible).
1487 Yeah, yeah (inaudible) Herbison said (inaudible) four o'clock. Yea, yea, yea, yeah; I
1488 know, I know. Ok but you know, yeah everything is great. I'll talk to you after
1489 (inaudible) Perry March and uh (inaudible) I won't be out till tomorrow evening or

1492
1493 Farris: Hey Perry, come here, hey look somethin', somethin' just smack me in the
1494 face.
1495
1496 March: What's that?
1497
1498 Farris: How I can talk to your dad on a secure phone without his number being
1499 traced after I'm out. Just send him a Nextel phone in some bogus ass name.
1500
1501 March: It's already being done.
1502
1503 Farris: Well, it's already being done?
1504
1505 March: That's what Lee just told me.
1506
1507 Farris: Well, I mean, but see will, will you be callin' that number too?
1508
1509 March: No.
1510
1511 Farris: I'm talkin' about he'll have another one. Just one for me.
1512
1513 March: Local calls, do they show up on Nextel?
1514
1515 Farris: I had a Nextel billing thing in my uh discovery.
1516
1517 March: Do local calls show up the number?
1518
1519 Farris: I don't think so, but see you know now look, the Nextel's got the blirrrt,
1520 blirrrrt. It's like a direct walkie talkie thing.
1521
1522 March: He's gonna have a Nextel phone. My brother-in-law's sending him one
1523 now.
1524

1525 Farris: Yeah, well see I need to get his key number.
1526
1527 March: Gonna give it to him and Lee had my dad on the phone.....
1528
1529 Farris: Yeah.
1530
1531 March: And said do you wanna talk to him and I said no.....
1532
1533 Farris: Yeah, okay, good.
1534
1535 March: I said I'm gonna talk to him at 10:30 on Mrs. Dickson's line.
1536
1537 Farris: Well look, well look if, if, if, if when he gets, if he gets you know when he
1538 gets the Nextel phone. I can tell him over, over the phone how to give me his key
1539 number.
1540
1541 March: Trust me.....
1542
1543 Farris: Uh huh.
1544
1545 March: He said by next Friday my dad will have a phone.
1546
1547 Farris: Okay.
1548
1549 March: Now, we're cool.
1550
1551 Farris: Yeah.
1552
1553 March: Now we're totally cool.
1554
1555 Farris: Yeah because that's who but who's name is that phone in? See I could get
1556 a phone, probably in somebody, you know, in some.....
1557
1558 March: You know it would probably be in my brother-in-law's name, Lee. It won't
1559 be in my dad's name.
1560
1561 Farris: Okay.
1562
1563 March: It's great!
1564
1565 Farris: You see how shit comes together?
1566
1567 March: Let me tell you, I just thought about this. It's gonna be so easy for me.
1568
1569 Farris: Uh huh.
1570
1571 March: To be able to give you messages about the car.
1572

1573 Farris: Okay.
1574
1575 March: (inaudible)Dad will you tell um, will you tell Bobby....
1576
1577 Farris: Uh huh.

1586
1587 (Pause)
1588
1589 Farris: Hey Perry?
1590
1591 March: Yeah?
1592
1593 Farris: Where you at? Now I'm ready to get out on this bond man...
1594
1595 March: Yeah I can't tell you how happy I am.
1596
1597 Farris: Man look like, I was like up toll breakfast man and I was just, I've laid in

1602
1603 March: You're totally cool.
1604
1605 Farris: Yeah (pause). Just but things, things fall in place man.
1606
1607 March: I'm going thru my head (inaudible)
1608
1609 Farris: Okay.
1610
1611 (Pause)
1612
1613 March: We want a second name and a second scenario. We have Bobby Givings
1614 and a car, and we want another name and another scenario because we want to be
1615 alternating.
1616
1617 Farris: Okay.
1618
1619 March: We don't want to be using the same one all the time.
1620

1621 Farris: Okay, well....
1622
1623 March: So think of a name and I'll think of another scenario.
1624
1625 Farris: Yeah, yeah I think of a name and you think of a scenario.
1626
1627 (Pause)
1628
1629 Farris: Perry I've got the name.....
1630
1631 March: Hold on one minute, hold on give me a second; I'll think this through....
1632
1633 Farris: Okay.
1634
1635 March: Nate?
1636
1637 Farris: Yeah?
1638
1639 March: Use a, (inaudible) to a Spanish name.
1640
1641 Farris: A Spanish name?
1642
1643 March: (inaudible) has to be (inaudible)
1644
1645 Farris: Okay what about uh.....
1646
1647 March: And now remember when you set up your email account, one in Bobby
1648 Givings name, and you set up one in the Spanish name...
1649
1650 Farris: Set, set one in Bobby Givings and on in the Spanish name.
1651
1652 March: It's gonna say, what's your first name you put down (inaudible) and then
1653 you put down Romero; You know what I'm saying? And then when your email, go out it
1654 show's your address as a (inaudible).
1655
1656 Farris: Okay, so is that the name you want me to use?
1657
1658 March: No, no.
1659
1660 Farris: Okay well, well uh what about Jesus; case that's easy for me to remember,
1661 Jesus you know.
1662
1663 March: Perfect, Jesus is perfect.
1664
1665 Farris: Jesus uh, Roldan; I knew a Mexican girl. Her last name was Roldan.
1666
1667 March: How do you spell that?
1668

1669 Farris: ROLDAN
1670
1671 March: ROL
1672
1673 Farris: DAN
1674
1675 March: Roldan; write it down now.
1676
1677 Farris: Okay
1678
1679 (Pause)
1680
1681 Farris: Hey, did you write it down?
1682
1683 March: Yeah.
1684
1685 Farris: Okay.
1686
1687 March: Okay. Our password....
1688
1689 Farris: Uh huh.
1690
1691 March: Between you and me we have two of 'em; okay?
1692
1693 Farris: Okay.
1694
1695 March: Kissing dog....
1696
1697 Farris: Kissing dog...
1698
1699 March: Kissing dog and diamond.
1700
1701 Farris: (Laughs) Kissing dog and diamond. I ain't gonna write that down, you
1702 write it down.
1703
1704 March: I'm writing it down right now. Kissin' dog and diamond.
1705
1706 Farris: Kissin' dog and diamond.
1707
1708 (Pause)
1709
1710 Farris: Hey you know, don't you know, not too many people know about kissin'
1711 dog. Hey look Perry.....
1712
1713 March: What?
1714
1715 Farris: Another thing like, whenever we get out you know, just for a joke between
1716 me and you; kissin' dog ate the cat. (Laughs) ate, two cats really.

1717 March: (Laughs) I still love you thinking (inaudible) I'm gonna have my dog, my
1718 dog eat his cat. (Laughing)
1719
1720 Farris: Hell yeah!
1721
1722 March: Duffer's (inaudible)
1723
1724 Farris: I love it.
1725
1726 March: And see, see (inaudible)
1727
1728 Farris: Hell yeah that's just like I said; everything's comin' into place.
1729
1730 March: But do you believe God man?
1731
1732 Farris: Hey, stranger things have happened buddy.
1733
1734 March: But that is I mean I'm gonna write that down as one of the strange,
1735 incredible things in my life.
1736
1737 Farris: Well, well, well look uh.....
1738
1739 March: The day before we needed it.
1740
1741 Farris: Alright look, a day before that we saw that little show about the lion and
1742 the little deer thing. How incredible was that? A lion takin' care of a deer.
1743
1744 March: Yeah.
1745
1746 Farris: You know I mean its just (laughs) you know a little sign; I don't know
1747 man.
1748
1749 March: Yeah.
1750
1751 (Pause)
1752
1753 Farris: Did you see what time it was?
1754
1755 March: Huh?
1756
1757 Farris: Did you see what time it was?
1758
1759 March: Nine o'clock.
1760
1761 Farris: Nine o'clock?
1762
1763 March: Your, your people are at your bank right now getting your money.
1764

1765 Farris: Good, man.
1766
1767 March: Right this minute they're there.
1768
1769 Farris: I'm ready to go; seriously.
1770
1771 (Pause)
1772
1773 March: Okay. So let's review.
1774
1775 Farris: Okay.
1776
1777 March: Bobby Givings....
1778
1779 Farris: Bobby Givings....
1780
1781 March: Jesus Roldan....
1782
1783 Farris: Jesus Roldan....
1784
1785 March: And we have two separate passwords (inaudible). We can always use and
1786 check with each other.
1787 Farris: I'll never forget the passwords....
1788
1789 March: Kissing dog...
1790
1791 Farris: Kissin' dog and diamond.
1792
1793 March: Okay.
1794
1795 Farris: That's man, I'll boy I'll be so glad I get to see diamond.
1796
1797 March: You've got her today, you're gonna have her in two hours.
1798
1799 Farris: I know.
1800
1801 March: Just so you know, whenever my dad emails...
1802
1803 Farris: Uh huh.
1804
1805 March: Or you email my dad.
1806
1807 Farris: Uh huh.
1808
1809 March: Okay, any references to Bobby Givings...
1810
1811 Farris: Uh huh.
1812

1813 March: Or Jesus Roldan.....
1814
1815 Farris: Yeah.
1816
1817 March: Is, is to you.
1818
1819 Farris: Yeah.
1820
1821 March: Understand?
1822
1823 Farris: Yeah, yeah.
1824
1825 March: Okay for Bobby Givings we have the car.
1826
1827 Farris: Yeah.
1828
1829 March: For Jesus Roldan.....
1830
1831 Farris: Uh huh.
1832
1833 March: We're gonna have the pottery business.
1834
1835 Farris: The pottery business.
1836
1837 March: Okay, remember in Mexico they have all those pottery.....
1838
1839 Farris: Yes, giant pots and stuff....
1840
1841 March: And remember me talkin' about starting a pottery business...
1842
1843 Farris: Okay.
1844
1845 March: So like if I write you a; you know the good thing....
1846
1847 Farris: Hang on, hang on.
1848
1849 March: So if I like write you and say, if my dad writes you and say "Hey Jesus,
1850 Perry said the pottery business is ready to go".....
1851
1852 Farris: Yeah.
1853
1854 March: Or "Perry says he needs about another week to figure out something" or
1855 can you check on some pricing for the pottery? That, that let's you know.....
1856
1857 Farris: Checkin' on stuff, okay, yeah.
1858
1859 March: Write down pottery business.
1860

1861 Farris: Okay.
 1862
 1863 (Pause)
 1864
 1865 March: But let me, let me give you an example.
 1866
 1867 Farris: Okay...
 1868
 1869 March: Say maybe if my dad were to say uh "Hey Perry uh Jesus wants to know if
 1870 you can be more particular where he can locate a couple of those pots".....
 1871
 1872 Farris: (laughs) yeah....
 1873
 1874 March: I'll know what you're talking about.
 1875
 1876 Farris: Yeah, okay.
 1877
 1878 March: That'll work.
 1879
 1880 Farris: Yeah.
 1881
 1882 March: Or he is havin' a hard time locating a carburetor.
 1883
 1884 Farris: For the car, yeah.
 1885
 1886 March: There you go.
 1887
 1888 (Pause)
 1889
 1890 March: Agreement, nothing gets done until, until there's until there's a green light
 1891 from both of us. Meaning if I hear back from you....
 1892
 1893 Farris: Yeah.
 1894
 1895 March: That Bobby says he's got the money ready to go...
 1896
 1897 Farris: Exactly.
 1898
 1899 March: When you hear back from me that says the car's ready or I, I, I'll have my
 1900 dad to send pots right out to you....
 1901
 1902 Farris: Okay.
 1903
 1904 March: Okay?
 1905
 1906 Farris: This is great.
 1907
 1908 March: You like that?

1909 Farris: I like that because we're both in, because we both know when....
1910
1911 March: When.....
1912
1913 Farris: Yeah, great.
1914
1915 March: And for the next thirty days, you need to learn about the internet.
1916
1917 Farris: Uh huh.
1918
1919 March: (inaudible) you need to learn about the internet and emails. Second and,
1920 and make these notes....
1921
1922 Farris: Okay.
1923
1924 March: You need to look up and learn about Mexico and Immigration.
1925
1926 Farris: Mexico and Immigration.
1927
1928 March: (inaudible)
1929
1930 Farris: Well, yeah well like I already planned on doin' that.
1931
1932 March: I'm just sayin', I'm just sayin'

1933
1934 Farris: Yeah well see like, like....
1935
1936 March: You'll see how easy it is. People just go whoring all day long (inaudible).
1937
1938 Farris: That's, that's why I plan on you know, makin' contact with your dad.
1939
1940 March: Let me tell you simple it is. Last week (inaudible) kids from Los Angeles,
1941 we'll, we'll, we'll leave school at eleven, drive to Tijuana, whoring and be home for
1942 dinner.
1943
1944 Farris: (laughs) okay.
1945
1946 March: (inaudible) write down, did you write down Chapala? I wrote down that
1947 for you didn't I?
1948
1949 Farris: Chapala?
1950
1951 March: (inaudible)
1952
1953 (Pause)
1954
1955 March: Hey Nate, on the internet, you're probably gonna end up being a junkie on
1956 the internet.

1957
1958 Farris: (laughs).
1959
1960 March: (Inaudible) you're gonna find.....
1961
1962 Farris: Hang on, they're flushin' the toilet.
1963
1964 March: You're gonna find a, you're gonna find a cool internet bar.
1965
1966 Farris: Uh huh.
1967
1968 March: Or place and your just going to be a junkie on it, you're gonna love it.
1969 Those names I wrote down; I wrote down Chapala.....
1970
1971 Farris: Uh huh.
1972
1973 March: And the other one underneath is Ajijic. Basically what it is is Chapala is
1974 the city where my dad and Carman and me live.....
1975
1976 Farris: Uh huh; and will that will be, will that be I'll be stayin'?
1977
1978 March: Probably, yeah.
1979
1980 Farris: Okay.
1981
1982 March: Okay. But inside it there's also another place called Ajijic; which is like
1983 uh, it's like Nashville, Belle Meade.....
1984
1985 Farris: Okay.
1986
1987 March: Okay, both of those places. Then I wrote another name down called
1988 Manzanillo.....
1989
1990 Farris: Okay.
1991
1992 March: That's a city on the coast where my houses are.
1993
1994 Farris: Where the two houses you was tellin' me about?
1995
1996 March: No, that's the other thing, it's gonna probably take me dad or Carman.
1997
1998 Farris: Uh huh.
1999
2000 March: About a month....
2001
2002 Farris: Okay.
2003
2004 March: I guess to get those houses ready....

2005
2006 Farris: Okay.
2007
2008 March: Because we have got some issues with the renters there and shit like that.
2009
2010 Farris: Okay.
2011
2012 March: It's good, we're gonna get, I'm gonna get everything rollin'.
2013
2014 Farris: Good.
2015
2016 March: Now the only thing you've got to remember is that since I'm inside, until I
2017 get out.....
2018
2019 Farris: Uh huh.
2020
2021 March: I'm really you know, it's gonna be hard for me to make arrangements. But
2022 once I'm out.....
2023
2024 Farris: Uh huh.
2025
2026 March: We're cool....
2027
2028 Farris: Okay. Well I mean you, you....
2029
2030 March: Okay, also; and you need to remember.
2031
2032 Farris: Uh huh.
2033
2034 March: You must remember; once the car gets uh sold....
2035
2036 Farris: (Laughs) yeah?
2037
2038 March: They ain't gonna let me out for a long time. They're gonna try to keep me
2039 in here as long as they can until they can figure out....
2040
2041 Farris: Well, well, well how long, how long; well you know they can't get no car
2042 back. But look, how, how long could they hold you for just questioning about that?
2043
2044 March: Well what they will do is they won't dismiss the other case...
2045
2046 Farris: Aw they'll keep tryin' to hold you in here?
2047
2048 March: Until they figure they've shot their wad....
2049
2050 Farris: Yeah.
2051
2052 March: You got it?

2053

2054 Farris: Well, well, well, well with, with Mr. Herbison and all and, and, and....

2055

2056 March: Let me, let me just tell you this; let me just tell you this, I'm asking for a

2057 speedy trial.

2058

2059 Farris: Yeah.

2060

2061 March: Which means, that my trial date will probably be in January or February.

2062

2063 Farris: Okay.

2064

2065 March: They can't keep me past that.....

2066

2067 Farris: Hell no!

2068

2069 March: I'm cool for the long haul.....

2070

2071 Farris: Yeah.

2072

2073 March: I'm okay because to me it's my career afterwards...

2074

2075 Farris: Yeah, exactly. And look here Perry, like uh you know I can shoot you,

2076 look, you can, bring money up here.

2077

2078 March: I (inaudible)

2079

2080 Farris: Listen, no, no listen to me; you don't have to mail it or nothing. There's a

2081 black mailbox downstairs that like, like when my mama brings me money, she just brings

2082 it up here and drops the money order, no envelope or nothin' in that box...

2083

2084 March: Let me just tell you this...

2085

2086 Farris: Hey look, look, look if you, if you ever get a money order from say you

2087 know look, look, like on some of my receipts it don't even have my mom's name. It just

2088 says moms, MOMS. So if, if you know, you know I'll drop you a couple of money orders

2089 somethin' from uh you know some name like uh....

2090

2091 March: You don't need to though...

2092

2093 Farris: Jet black or somethin'

2094

2095 March: Let met just tell you this; I'm cool on money.

2096

2097 Farris: Well I you know, I'm just sayin' you know. But see look, look, but look

2098 listen, listen that would be another way for me to let you know, look things are

2099 prosperous, things are going okay....

2100

2101 March: (inaudible) great, when I get this Nextel phone by next week.
2102
2103 Farris: Yeah?
2104
2105 March: We get these emails, hey we're gonna be able to communicate.
2106
2107 Farris: Okay, good.
2108
2109 March: Easy.
2110
2111 Farris: I'm glad, hey I, I fell better now that, that there's someway that me and
2112 you can talk to each other.
2113
2114 March: We'll definitely be able to.
2115
2116 Farris: Who, who, who was that?
2117
2118 March: It was the nurse.
2119
2120 Farris: Okay.
2121
2122 March: You're gonna get an email from my dad that says uh Perry, you know for
2123 to Jesus, you'll open up two emails; two yahoo emails. One in the name of Jesus Roldan,
2124 the other in the name of Bobby Givings. You'll check both of them. You'll get an email
2125 one day from Jesus to Jesus from Roldan. Hold on, hold on.
2126
2127 (Long Pause)
2128
2129 (Farris talks to someone)
2130
2131 Farris: I hope this recorder's working
2132
2133
2134 March: Now I see now, now I'm feeling comfortable.
2135
2136 Farris: You're feelin' comfortable?
2137
2138 March: Yeah.
2139
2140 Farris: Man I'm now...
2141
2142 March: It's gonna be even more comfortable...
2143
2144 Farris: Well I'm gonna tell you somethin' that makes me feel a whole lot better
2145 Perry is that we're gonna be able to give each other you know, signs or messages or
2146 whatever now.
2147
2148 March: Without question.

2149 Farris: That, that, that's that's really easin' that's that's easin' you know.....
2150
2151 March: You've got it. Oh let me give you Carman's eight hundred number.
2152
2153 Farris: Carman's eight hundred number?
2154
2155 (Pause)
2156
2157 March: (inaudible)
2158
2159 Farris: Okay, right here, 877-454-0053
2160
2161 March: Zero, 454-0053.
2162
2163 Farris: I got it.
2164
2165 March: I just so you know. (inaudible) the phone.
2166
2167 Farris: Uh huh.
2168
2169 March: You like I think, I think it's still upstairs in the office in my building.
2170
2171 Farris: Yeah.
2172
2173 March: And she probably doesn't hear it very much or she doesn't answer it.
2174
2175 Farris: That's okay.
2176
2177 March: So the, the, uh, uh the uh.....
2178
2179 Farris: The restaurant number itself?
2180
2181 March: Right, right okay.
2182
2183 Farris: Okay.
2184
2185 March: She'll be, just so you know between my dad and Carman.
2186
2187 Farris: Uh huh.
2188
2189 March: Carman will be ten times more suspicious than my dad...
2190
2191 Farris: Okay.
2192
2193 March: The reason is because all the media. They're always callin' her and tryin'
2194 to trick her.
2195
2196 Farris: Yeah well, but I mean like...

2197 March: Once the, once my dad gets comfortable in what's going on....
 2198
 2199 Farris: Yeah?
 2200
 2201 March: We're gonna be great.
 2202
 2203 Farris: Okay.
 2204
 2205 March: That's why I'm sayin', thirty days, sixty days, whatever it takes for us to
 2206 get everything perfect.
 2207
 2208 Farris: Yeah.
 2209
 2210 March: Japanese like with Danielle, Japanese.
 2211
 2212 Farris: Japanese, like we did with Danielle (laughs).
 2213
 2214 March: Japanese. We will never, we will never do a job until its perfect....
 2215
 2216 Farris: Hey I wonder...
 2217
 2218 March: (inaudible)
 2219
 2220 Farris: Hey I wonder Danielle's gonna think, when I'm, when I just disappear....
 2221
 2222 March: Well for the next, whatever it is, thirty or sixty days...
 2223
 2224 Farris: Oh I know, yeah....
 2225
 2226 March: You're gonna have to do her.
 2227
 2228 Farris: Oh God (laughs) oh, oh shit! Hey, hey I guess I could put a bag over here
 2229 head or somethin' huh?
 2230
 2231 March: Yeah but just you know, model citizen man...
 2232
 2233 Farris: Model citizen...
 2234
 2235 March: Make sure, make sure you make sure.....
 2236
 2237 Farris: Uh huh?
 2238
 2239 March: That when you buy the car.
 2240
 2241 Farris: Yeah?
 2242
 2243 March: That there is nothin', nothin' that they can revoke your bond on.
 2244

2245 Farris: Well there's not gonna be.
 2246
 2247 March: Just, you hear what I'm sayin'?
 2248
 2249 Farris: Well, well I know look I.....
 2250
 2251 March: You don't wanna give them that, that pleasure.....
 2252
 2253 Farris: Look, that's why look that's why I told you that I'm gonna buy two cars
 2254 when I first get out. Because you know, like I, I you know there's Ik now all kind, I know
 2255 people who deal in stolen cars from Kentucky.
 2256
 2257 March: Yeah, but can I say something to you? Don't do that. Don't do that.
 2258
 2259 Farris: Uh huh.
 2260
 2261 March: Wait don't do it. You don't need two at the beginning.
 2262
 2263 Farris: Uh huh. Well, well, well look; the, the reason why I'm sayin' that because
 2264 anything, any piece of equipment I use when I take care of these things is that I'm gonna
 2265 get rid of.....
 2266
 2267 March: Yeah and every clothing, every....
 2268
 2269 Farris: Exactly, exactly...
 2270
 2271 (Pause)
 2272
 2273 March: Yeah.
 2274
 2275 Farris: Who's it? Who's it?
 2276
 2277 March: It wasn't anything when they arrested me. They frauded up an expulsion
 2278 order from Mexico.
 2279
 2280 Farris: Uh huh.
 2281
 2282 March: That's my lawyer from Mexico (inaudible) letter to me (inaudible)record,
 2283 he said basically that'll be gone within a month.
 2284
 2285 Farris: Well, good.
 2286
 2287 March: The thing you need to know.....
 2288
 2289 Farris: Uh huh.
 2290
 2291 March: I'm a fukin' expert, an expert....
 2292

2293 Farris: Huh?
 2294
 2295 March: I'm a fuckin' expert in Mexico....
 2296
 2297 Farris: You're an expert in Mexico?
 2298
 2299 March: I've got lawyers, I've got accounts, I've got, I speak Spanish; I'm an
 2300 expert.
 2301
 2302 Farris: Well look I, you know, I, I, I pretty much figured that. That's why like
 2303 when we talked you know couple weeks ago or whatever, we was talkin' about those
 2304 kidnappings', that's why you know, I was sayin' you know I would do the foot work and
 2305 you could handle the other part.
 2306
 2307 March: Oh we're gonna both handle everything together.
 2308
 2309 Farris: We're both gonna handle it together (laughs). Hey Perry, the dynamic duo.
 2310
 2311 March: No, we're gonna handle everything together.
 2312
 2313 Farris: Great.
 2314
 2315 March: The way I look at team work, if either member of the team...
 2316
 2317 Farris: Uh huh.
 2318
 2319 March: Everybody needs to know everybody else's job and be able to pick it up
 2320 and do it.
 2321
 2322 Farris: Yeah.
 2323
 2324 March: I'm gonna make you into a financial wizard.
 2325
 2326 Farris: Hey and I can help you know; sculpt you a little bit too...
 2327
 2328 March: I know, I know, I know I'm gonna make you into a financial wizard.
 2329 Because if somethin' happens to me or whatever it is....
 2330
 2331 Farris: I'm not gonna let nothin' happen to you Perry....
 2332
 2333 March: No, you're gonna have to, you're gonna have to gather stuff in and take
 2334 care of my family or whatever.
 2335
 2336 Farris: Well, well look Perry; number one thing with me is to make sure nothin'
 2337 happens to you.
 2338
 2339 March: I know.
 2340

2341 Farris: You know, at all cost.
 2342
 2343 March: Thank you.
 2344
 2345 Farris: By any means necessary.
 2346
 2347 March: It's the last thing I want. I wanna take a shower right now, real quick.
 2348
 2349 Farris: Okay.
 2350
 2351 March: What I wanna tell you is, remember one thing; safety first.
 2352
 2353 Farris: Yeah.
 2354
 2355 March: Okay, don't make our (inaudible) situations, or bad right now.
 2356
 2357 Farris: I know.
 2358
 2359 March: Don't make 'em worse....
 2360
 2361 Farris: Exactly. Go on take a shower.
 2362
 2363 (Pause)
 2364
 2365 Farris: Hey Perry? Perry? One more thing; am, am I gonna need the, that little
 2366 piece of paper anymore? Cause I mean, I'm gonna stash it.
 2367
 2368 March: Here's one thing about that paper....
 2369
 2370 Farris: Okay.
 2371
 2372 March: When you get the internet.....
 2373
 2374 Farris: Oh I've got, yeah that's of course. But I'm just sayin' I'm fixin' to put it in
 2375 my stuff and kinda hide it right now.....
 2376
 2377 March: You don't want them findin' it.
 2378
 2379 Farris: They're not gonna find it. I'll eat that.
 2380
 2381 March: Okay.
 2382
 2383 Farris: But I mean, so what do you think we need to write anything else down?
 2384
 2385 March: No, I think we're good.
 2386
 2387 Farris: Okay.
 2388

2389 March: I've got my stuff written down.
2390
2391 Farris: Okay.
2392
2393 March: I'll just, I'll be right out.
2394
2395 (Long pause)
2396
2397 **End of tape**
